DAVID NGUNZU KIAMBA

Software Engineering Student | Aspiring Cybersecurity & Software Engineering Intern

University Student

QSK Member

PROFESSIONAL SUMMARY

Motivated and detail-oriented Third Year Software Engineering student at the University of Eastern Africa, Baraton, with strong interest in **software systems, backend development, cybersecurity, and information systems auditing**. Experienced in developing functional software systems and managing database-driven projects, with **hands-on exposure to ISO standards, vulnerability assessment, and audit processes**.

As a **certified ISO 9001/27001 Lead Auditor** and member of the **Quality Society of Kenya (QSK)**, I understand quality management principles that can enhance software development processes. Eager to apply technical knowledge to real-world challenges, contribute to innovative solutions, and collaborate with industry professionals. **Highly enthusiastic about building systems that are efficient, secure, and scalable**, while continuously growing as a technology professional.

WORK EXPERIENCE

Software Engineer Intern

December 2022 – May 2023

Intertek

- Supported client certification and auditing activities for **organizations including United Pharma (ISO 9001), Haco Industries (ISO 9001), and Beiersdorf (QSHE)**
- Contributed to sales and reporting efforts for **companies like Ashut Plastics, Ashut Engineers, and Makueni Fruit Development and Marketing Authority**
- Assisted in **IT audits, data verification, and document management**

PROJECT EXPERIENCE

School Management System

Kitengela Adventist School (Personal Project)

- Developed **relational database** for managing students, teachers, classes, and grades
- Built **backend with PHP & MySQL** and frontend with **HTML, CSS, Tailwind**
- Implemented **CRUD operations, user authentication, and reporting functions**

Apartment Management System

Multi-Tenant (Ongoing Personal Project)

- Vulnerability Assessment and Penetration Testing - Alison
- Cybersecurity Fundamentals - Alison
- ISO 27701 Privacy Management - IRLA

AVAILABILITY

Available for industrial attachment / internship from:

May – August 31, 2026

Eager to contribute to real-world projects while learning from industry professionals.

SOFT SKILLS

- Strong problem-solving and analytical mindset
- Self-driven learner, curious and proactive
- Excellent team collaboration and communication
- Able to work independently and adapt
- Open to feedback and mentorship

- Designed **multi-tenant database structure** for managing apartment units, tenants, payments, and leases
- Practiced **relational database design and query optimization**
- Demonstrates ongoing commitment to **building scalable systems**

GitHub Portfolio

Other Projects

- Hosted at <https://github.com/danny-kenn>
- Includes **smaller Python, PHP, and web development projects**
- Showcases **coding practice, project structure, and database interaction**

EDUCATION

Bachelor of Science in Software Engineering

2023 – Present

University of Eastern Africa, Baraton | Expected Graduation: August 2027

- **Attachment Period:** May – August 31, 2026
- **Relevant Coursework:** Web Development (PHP, HTML, CSS, JavaScript), Software Engineering, Database Systems, Computer Networks, Information Systems

Certificate in Information Technology

2022

Kenya Institute of Computer Studies

- **Microsoft Office Suite:** Word, Excel, Access, PowerPoint, Publisher
- **Internet and Email Essentials**

ADDITIONAL QUALIFICATIONS

Professional Certifications

2023 – 2024

IRLA & Quality Society of Kenya

- **ISO 9001 Lead Auditor:** Quality Management Systems
- **ISO 27001 Lead Auditor:** Information Security Management
- **Quality Society of Kenya (QSK):** Full Member
- **VAPT Certification:** Vulnerability Assessment and Penetration Testing

INTERESTS & CAREER FOCUS

- Backend systems and system architecture
- Information systems auditing & cybersecurity
- Enterprise software systems
- Learning organizational IT operations and compliance
- Continuous professional skill development

REFEREES

Available upon request
